Paul Leger, the new President, asked members what they want in activities.

Suggestions were: Field day, Christmas party, Fox Hunt, visit facilities example, 911, Coast Guard, Guides on the the Air, Scouts on the air. There are four business meetings a year (by-laws) so there needs to be volunteers for six presentations. Email Paul ([legerpj@nbnet.nb.ca](mailto:legerpj@nbnet.nb.ca)) if you have any ideas or want to do a presentation and what month you would like.

Paul recommended visiting the Military Communications and Electronics Museum in Kingston at low cost. They have from 1800 to modern gear. Example Russian, Cold War and a real Enigma. An amateur radio station will be installed to operate.

Peter Campbell offered to do a Coast Guard visit with him. Len to touch base.

Tiny Cunningham closed meeting at 7:45pm
